Cabot Trail Whale Watching is a water-based nature-tourism operation that specializes in whale watching. Our mission is being and remaining the leader of Zodiac-style whale watching.

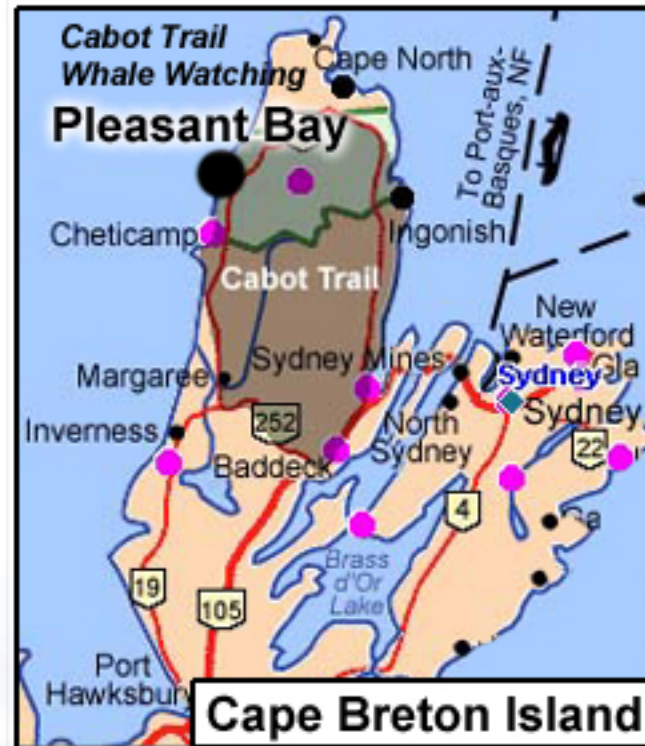

We are committed to ensuring a safe and enjoyable whale watching experience while providing an adventure filled and knowledge based trip to all passengers.

Our vessel (Whale Watcher) is a (8m) 24ft. fiberglass hull Zodiac. see the magnificent whales from the uncrowded zodiac Be one of the few, for an up close and personal truly amazing whale watching experience,

To view whales is one thing, but to have whales see us as a positive part of their environment and try to interact and communicate is an experience like no other, it makes you feel a little more human.

The Coast line is spectacular, views from sea are unlike any other view point on your vacation. Come along on the adventure of a life time with Cabot Trail Whale Watching
